Global Youth Service Day 2018

Keep York Beautiful Spring Litter Cleanup

Global Youth
Service Day

Description

In collaboration with Keep York Beautiful, we'll be celebrating the annual Global Youth Service Day event by hosting a Spring Litter Cleanup on Saturday, April 14th 2018. Individuals and Families are encouraged to come out and help cleanup the city we all call home. This could be a perfect event for those who are interested in completing community service hours, for graduation requirements, or for those who are just looking to have some fun on a Saturday.

Project details:

Volunteers are to meet at York City Hall Parking Lot by 7:30 am on Saturday, April 14th.

Supplies will be distributed to all volunteers with the project beginning at 8 am and ending around 11 am.

Volunteers will fan out from City Hall cleaning up winter debris and picking up litter along the way.

Volunteers are welcome to register day of the event.

Rain or shine, this will be a great time!

History of Global Youth Service Day

Global Youth Service Day (GYSD) celebrates and mobilizes the millions of young people who improve their communities each day of the year through service. Established in 1988, Global Youth Service Day is the largest service event in the world, and the only day of service dedicated to children and youth. GYSD is celebrated each year in more than 135 countries, with young people working together--and with schools, youth organizations, nonprofits, community and faith-based organizations, national service programs, government agencies, and adult mentors-- to address the world's most critical issues and change their communities.
